

AMY WEATHERBY

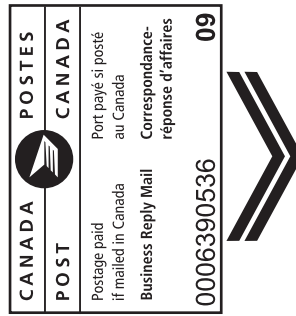

– A VISION FOR QUALITY HEALTH CARE, CLOSE TO HOME

In 1951, when Amy Weatherby donated the parcel of land on which Peace Arch Hospital is built, she exemplified the power of what people in a community can accomplish together. Her gift, combined with \$150,000 raised by our hard-working Auxiliary, ensured that Peace Arch Hospital was established to serve the people who live in South Surrey/White Rock.

Since then, our hospital has become the heartbeat of our community – a source of pride and a place of healing – that continues to thrive because of the generosity of the people who live here.

Every donation builds on that legacy and confirms a shared belief that our community deserves the very best healthcare, close to home. From our humble beginnings with only 50 beds, we can all be proud of our well-equipped, state-of-the-art hospital that continues to expand, as our community grows.

Your stamp is an added gift.

WAYS TO GIVE

Many of our donors support the Foundation to show their appreciation for the care they or a loved one has received. Their gift completes a circle of care for years to come and benefits so many other people in our community. The Weatherby Circle honours and celebrates these extraordinary individuals who have kindly supported Peace Arch Hospital Foundation, in one of the following ways:

+ Leave a Gift in your Will

An outright bequest of cash or a percentage of your estate gifted to the Foundation for the Area of Greatest Need at Peace Arch Hospital.

- Gifts in will, large and small, make an impact for decades to come and enable our Foundation to take on transformative projects. Leaving a gift in your will can reduce estate tax, which will benefit your children and beneficiaries.

+ Real Estate

Ideal for those looking to downsize but prefer not to take on the task of getting rid of their contents.

- Take your important mementos and donate your home and contents to the Foundation; we will take care of the rest. PLUS, you'll receive a charitable tax receipt for the value of your home.

+ Publicly-Traded Securities

Significant tax benefits for investments donated to the Foundation, which have grown in value.

- Donating appreciated securities (including stocks, bonds, and mutual funds) may reduce your capital gains, and allow you to maximize your giving while also receiving charitable tax credits, either in your lifetime or as part of your estate plan.

+ RRSP/RRIFs

An opportunity to leave a future gift to the Foundation without jeopardizing future income.

- Your estate receives a charitable tax receipt to offset some or all income tax payable, and is not subject to probate or estate fees when given directly to the Foundation.

+ Life Insurance

Offers various ways to donate and receive a charitable tax receipt. The best option for you will depend on whether you wish to receive a tax credit during your lifetime or as part of your estate plan.

- Paid-Up Life Insurance Policy
- Partially Paid Existing Policy
- The Foundation as the beneficiary of a policy
